Air Force Survival Guide

Here is the Official US Air Force guide to staying alive in survival situations—first aid, concealment, survival at sea, building shelter, finding food and water, and more! This Air Force handbook was written to help pilots who find themselves in hostile environments.

U.S. Air Force Survival Handbook: The Portable and ...

Written for use in formal United States Air Force survival training courses, the U.S. Air Force Survival Handbook iis the bible for pilots who want to stay alive—no matter what. Assuming, as the Air Force does, that flight personnel may be faced at any time with a bailout or crash landing in hostile territory without supplies, the advice here is superlatively practical, but also surprisingly readable and interesting.
