### By Charles W Kegley World

Great Powers and World Order encourages critical thinking about the nature of world order by presenting the historical information and theoretical concepts needed to make projections about the global future. Charles W. Kegley and Gregory Raymond ask students to compare retrospective cases and formulate their own hypotheses about not only the causes of war, but also the consequences of peace settlements.

### Amazon.com: World Politics: Trend and Transformation ...

The venerable international relations co-authors, Charles W. Kegley and Gregory A. Raymond, have done it again. They have crafted a fine book, more of a text but with some gritty originality, that parsimoniously describes a) the violent origins of the contemporary world order, b) the fitful evolution of the contemporary world order and c) the forging of a new world order.
