### **Caliper Test Answers**

THE CALIPER ASSESSMENT. Caliper assessment is a measure employers use to judge further the competence of candidates for a particular job position based on their personalities. The Caliper test is only to test your personality. Whatever your responses are to the questions, you are not wrong, but instead, give your employer a view of your character. The test is to know how you judge issues based on your personality and to know your psychological contributions to the company if employed in the ...
