Wikibooks is an open collection of (mostly) textbooks. Subjects range from Computing to Languages to Science; you can see all that Wikibooks has to offer in Books by Subject. Be sure to check out the Featured Books section, which highlights free books that the Wikibooks community at large believes to be “the best of

what Wikibooks has to offer, and should inspire people to improve the quality of other books.”

### **Dodge Truck Pickup 1960 1961**

The C series was a line of pickup trucks sold by Dodge from 1954 to 1960. It replaced the Dodge B series of trucks and was eventually supplanted by the Dodge D series, introduced in 1961. Unlike the B series, which were closely related to Dodge's prewar trucks, the C series was a complete redesign.
