The split between “free public domain ebooks” and “free original ebooks” is surprisingly even. A big chunk of the public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you’ll find some interesting stories.

whose interest in differential equations may sometimes be quite theoretical, sometimes intensely practical, and often somewhere in between. The authors have sought to combine a sound and accurate (but not abstract) exposition of the elementary theory of differential equations with considerable material on methods of solution,
