The Ford Consul Corsair (later known simply as the Ford Corsair), manufactured by Ford UK, is a midsize car that was introduced at the London Motor Show in October 1963 and available as either a saloon or estate from 1964 until 1970. There was also a convertible version built by Crayford, which is now very rare and highly sought after as a classic. Two-door Corsair saloons are also rare, being ...

The Ford Kent is an internal combustion engine from Ford of Europe. Originally developed in 1959 for the Ford Anglia, it is an in-line four-cylinder overhead-valve-type pushrod engine with a cast-iron cylinder head and block.. The Kent family can be divided into three basic sub-families; the original pre-Crossflow Kent, the Crossflow (the most prolific of all versions of the Kent), and the ...

Joking apart, the Ford Corsair 2000E is an excellent car. It is rather expensive at £1,007 18s. 4d. but it should be a sales-winner nevertheless. Not everyone needs luxury fittings in a car of this class, so the same 1,996 c.c. engine in the ordinary Corsair, or in the new Cortina, might be an even bigger success. - W.B.

I have a 1995 Holiday Rambler motorhome with a Ford 7.5 L/245 hp V8 Gas Fuel Injection 460 engine, 48,000 miles. It runs perfectly at sea level. When I drive up to the mountains it's just fine accelerating up the mountain (naturally performance goes down a bit when I get to 7,000 feet). Then, I have a steep (1,000 ft elevation drop) downhill where I downshift for ~ 2 miles. At the bottom of ...
