### **Grey Knights The Omnibus 1**

Omnibus collecting three Grey Knights stories. The setting is the Warhammer 40.000 universe, and the Grey Knights are Space Marines that are employed to hunt down daemons. The three stories follow the main protagonist, Alaric, in a fight to track down and destroy a daemon, on a quest to stop a daemon on a warp-infested planet (those who know Warhammer will understand), and as a captive turned gladiator for Chaos.

The first book in this three book omnibus was great at establishing the premise of an emancipated Space marine Chapter. The second book was very anticlimactic and the third was pretty much all action with a very flimsy plot. The storytelling is very uneven and the characterization is shallow. Truthfully, it's kinda flat.
