International Arbitration, UK-wide, UK | Chambers Rankings

International arbitration allows the parties to avoid local court procedures. International arbitration has different rules than domestic arbitration, and has its own non-country-specific standards of ethical conduct. The process may be more limited than typical litigation and forms a hybrid between the common law and civil law legal systems.

International arbitration - Wikipedia

The new Act has been codified on the lines of the Model Law on International Commercial Arbitration as adopted by the United Nations Commission on International Trade Law (UNCITRAL). One of the most commendable objects of the new Act is to minimize the role of the courts in the arbitration process.
