The Looting of the Iraq Museum, Baghdad: The Lost Legacy ...

The Iraq Museum is the national museum of Iraq, a museum located in Baghdad, Iraq. It is sometimes mistakenly called the National Museum of Iraq, a recent phenomenon influenced by other nations' naming of their national museums; but The Iraq Museum's name is inspired by the name of The British Museum. The Iraq Museum contains precious relics from the Mesopotamian, Babylonian and Persian civilization. It was looted during and after the 2003 Invasion of Iraq. Despite international efforts, only so

National Museum of Iraq - Wikipedia

The museum is one of the most important and largest repositories of antiquities in the Middle East. Before the war, Iraq's antiquities' authorities gathered artifacts from around the country and...

Fifteen years after looting, thousands of artefacts are ...

Although the Museum has received protection since its looting, archaeological sites in Iraq have not had much protection, and there has been large-scale looting. This large-scale looting of archaeological sites has increased the workload for Museum staff, who often receive large quantities of undocumented artifacts confiscated at border crossings.

About the Museum | The Iraq Museum

The Iraq Museum's huge collection tells the epic story of human civilization, from the earliest settlements to the rise and fall of vast empires. These artifacts, some of them more than 10,000 years old, show the development of everything from hunting and writing implements to mathematics, art, law, religion, and industry — and ultimately ...

The Iraq Museum | The Iraq Museum

Gertrude Bell, well known for drawing the Iraq borders, excavated many sites around Iraq and created what is now the National Museum of Iraq. By the mid 1920s the black market for antiquities was growing and looting began in all sites where antiquities could be found.

Archaeological looting in Iraq - Wikipedia

Official sources have the following to say about the looting of the Iraqi museum's cultural valuables. The television company NBC televised a report about the devastating invasion of the National Museum of Antiquities of Iraq in Baghdad by looters.
