Greek literature, body of writings in the Greek language, with a continuous history extending from the 1st millennium bc to the present day. From the beginning its writers were Greeks living not only in Greece proper but also in Asia Minor, the Aegean Islands, and Magna Graecia (Sicily and southern Italy). Later, after the conquests of Alexander the Great, Greek became the common language of ...

Greek literature | Britannica

Aeschylus, however, is usually considered the first of the great Greek playwrights, and essentially invented what we think of as drama in the 5th Century BCE (thereby changing Western literature forever) with his introduction of dialogue and interacting characters into play-writing.
