Critical Pedagogy - New Discourses

Liberal feminist discourse assumes that in order for women to achieve equal status in society, they must think and behave in ways traditionally associated with men. Most of the language that displays this theme encourages women to support themselves financially, pursue careers over family life, and become less submissive.

close analytic reading of the text, a technique as old as Aristotle's Poetics. The New Critics, however, introduced refinements into the method. Early seminal works in the tradition were those of the English critics I.A. Richards (Practical Criticism, 1929) and William Empson (Seven Types of Ambiguity, 1930).
