Twelve horror stories. Take a terrifying journey to a coastline associated with candyfloss and amusement arcades, and see it stripped to the bone. Whether it's seagulls that prove to be more than a nuisance, the mysterious inhabitants of a forgotten village, or a fisherman whose Easter eggs are not for consumption, the horrors are always there ... and much closer than we care to admit.

Sussex Horrors: Stories of Coastal Terror and other ...

As I write this, my mind slowly wanders through the pages of a skillfully combined short story collection, Sussex Horrors, where the coastal terror is real, and other haunts are luring me into the dark void created by the amazing contemporary horror writers, Jonathan Broughton, Mark Cassell and Rayne Hall, all of them with such distinct writing styles and different voices..still, conveying an universal message: horror is real, and it is right

Sussex Horrors is an impressive anthology of foggy beaches, windswept piers, eerie lighthouses, and coastal terror at its finest. Sussex Horrors is a unique anthology featuring only three authors and stories that keep their settings limited to the historic coastal town of Sussex in England.

Now Read This: Sussex Horrors - Morbidly Beautiful

Mark Cassell lives on the south coast of England with his wife and a number of animals. He often dreams of dystopian futures, peculiar creatures, and flitting shadows. His jobs have included a baker, a laboratory technician, and a driving instructor, and 2018 sees him acting in the horror movie Monster directed by Matt Shaw. As a familiar face on the UK convention scene, Mark sells his books ...
