Victorian America - Wikipedia

Victorian values dominated American social life for much of the 19th century. The notion of separate spheres of life for men and women was commonplace. The male sphere included wage work and politics, while the female sphere involved childrearing and domestic work. Industrialization and urbanization brought new challenges to Victorian values.

Victorian Values in a New Age [ushistory.org]

Victorian architecture in America is not just one style, but many design styles, each with its own unique array of features. The Victorian era is that time period that matches the reign of England's Queen Victoria from 1837 to 1901. During that period, a distinct form of residential architecture was developed and became popular.
