You're so quick to downtalk students of accounting but too much of a pussy to take actions on your own words. Lastly, we're in the middle of a global pandemic. So don't feel discouraged if you haven't been called back, fired, or taken or a pay-cut. Accounting is like many other careers, they have the good and the bad.

Project Accounting can be a mysterious science at the best of times, especially since there are as many ways to account for a project as there are projects. Or put better, every company has its own specific metrics they use to decide how one project compares to another, and this is what makes implementing any PA software tricky sometimes.
